

Updated March 2022

COVID Safe Plan for VISITORS to LARDNER PARK

As Victoria enters Phase D of the Roadmap, we can now run events at full capacity. Unless we anticipate 30,000 visitors per day, we do not need individual approval from the Chief Health Officer.

However, we will continue to work to keep our community safe from Coronavirus and will maintain the protocols where applicable.

We are obliged to ensure that all visitors entering Lardner Park show **proof of double vaccination**. In line with the latest Government guidelines, individuals 18 years and above must be up to date with their vaccination status to enter venues, except those with medical exemptions. On arrival, patrons will be asked to check in using the Service Victoria app and present to our staff their COVID-19 digital vaccination certificate (Individuals under 18 years do not need to present a vaccination certificate). To streamline the process, we ask that you please link your COVID-19 digital certificate to the Service Victoria app prior to your arrival.

To book a ticket to this event you have verified that you are double vaccinated. If you cannot show proof when you arrive, you will be unable to enter the venue and will not receive a ticket refund.

What can you do to keep our community safe?

QR CODE SCANNING ON ENTRY TO LARDNER PARK

QR code check requirements still apply in hospitality and entertainment venues. All visitors must check in before entering Lardner Park.

Location code 543NNK

Can't scan? Download the Service Victoria app or visit: gov.vic.gov.au/check-in. Open the app and enter 543NNK.

Service Victoria is the State Government's dedicated customer service agency. We will take care of 80000 your check-in information for coronavirus COVID-19 contact tracing. We'll update your status within 18 days. Your details won't be used for marketing or other purposes. Learn more: service.vic.gov.au/che...

Proof of vaccination status required

1. Make sure you've added your COVID-19 digital certificate to the Service Vic app or have an alternative proof of vaccination status

2. Scan the Service Victoria QR code or show your alternative proof of vaccination status

3. Show staff the two green ticks — you're good to go!

4. Wait for a staff member to confirm it's OK to enter

Thank you for doing your part to keep us safe

Authorised by the Victorian Government, 1 Treasury Place, Melbourne

Poster updated October 2021

					
Stay at home if you are feeling unwell or test Positive (R.A.T)	Adhere to physical distancing	Wear masks where applicable	Use hand sanitiser on entry / exit	Avoid handshaking	Practice good hygiene & sneeze or cough into a tissue or elbow

What are we doing to keep the community Safe?

Health, Sanitisation and Cleaning

- Entry screening points will be located at Lardner Park entry points including hand sanitiser prior to entry for all visitors and contractors.
- Frequency of routine cleaning increased with high frequency touch points a priority.
- Escalation flow chart to respond appropriately to anyone who presents with symptoms of coronavirus (COVID-19)

Contactless Entry & Contactless Payments

- Cashless transactions for purchases.
- No or limited ATM cash facilities.
- Contactless ticketing and entry to an event.

Catering

- Food and beverage spaces have measures to minimise contact including face masks worn by hospitality workers.
- Individually wrapped take away; Physically distanced seating, Hand sanitization, Signage; Increased cleaning measures; Wearing of gloves by catering staff & their employees.

More Information

We can all stay in touch with the latest advice and measures in place in Victoria to help slow the spread of COVID-19 by visiting these websites.

- Australian Government Department of Health <https://www.health.gov.au/>

CONTACT SCREENING

Household or household-like contacts

- You have spent more than four hours with someone who has COVID-19 inside a house, accommodation or care facility.
- You must quarantine for 7 days.
- You must get tested on Day 1 of quarantine (or as soon as possible) and get tested again on Day 6 of quarantine - with a rapid antigen test, or a PCR test if you can't access a rapid antigen test.
- If you test positive on a rapid antigen test, you must report your result. Visit [Reporting your result | Coronavirus Victoria](#)
- for more information.
- Household or household-like contacts are also referred to as *close contacts*.

All other contacts

- Someone who has COVID-19 has informed you that you are their social contact, or a workplace or education facility has informed you that you are a workplace or education contact.
 - Staff and students at schools – whether or not they are contacts – are strongly recommended to use rapid antigen tests twice a week during school weeks (five times a week in specialist schools) as part of the [Back to school plan | Victorian Government \(coronavirus.vic.gov.au\)](#) plan.
- If you have symptoms, you must use a rapid antigen test, or get a PCR test if you can't access a rapid antigen test.
- If you don't have symptoms, you are recommended to use a daily rapid antigen test for 5 days.
- If you test positive on a rapid antigen test, you must report your result. Visit [Reporting your result](#) page for more information.
- If you don't have symptoms and cannot access a rapid antigen test then monitor for symptoms and get tested if symptoms emerge.

HYGIENE and COVID CLEANING

It is Lardner Park's responsibility to ensure hygiene measures are in place with the use of face masks, hand sanitizer, antibacterial wipes, disposable gloves and signage for bump in, the duration and bump out for the event.

1. When required, disposable face coverings are to be made available where individuals do not have their own. These should be worn to meet current guidelines.
2. Hand sanitiser should be provided at the recommended level of 60-80% alcohol and should be made available at each entry point to the event.
3. Antibacterial wipes should be available to wipe down frequently touched items such as pens, keys, door handles, lecterns and hand wiping where sanitizer is unavailable.

Lardner Park will provide pre-function cleaning (and event cleaning where applicable), disinfecting, and monitoring of all high-touch areas such as handrails, door handles where contactless protocols are not possible. Where possible we will also enhance air flow by opening doors and windows while Heating/Cooling unit not in use. In addition to the standard items of toilet paper, paper towel and hand soap, Lardner Park will provide hygiene signage for the restrooms.

PHYSICAL DISTANCING MEASURES

Keep a distance – stay 1.5 metres away from people where you can or wear a face mask.

INTERNAL SPACE USAGE - Guide ONLY*

Recent changes have removed the density requirements on internal spaces to allow non-restricted patron flow. It is recommended that where possible you should wear a face mask.

RESPONSE TO A SUSPECTED OR CONFIRMED COVID-19 CASE

Should there be a suspected or confirmed case from a visitor or staff member working at the event, Lardner Park will consider the impacts of an outbreak and assess whether the event or part of the event must be closed and action the following

- Present to one of the 2 First Aid stations at Lardner Park for further advice
 - Behind the Lardner Park admin building
 - Lakeside Arena

FARM WORLD EXHIBITORS

Under current regulations, each exhibitor is required to be staffed by double vaccinated workers and have their own COVID safe plan where the protocols for a COVID safe display are maintained.
